Dear Mr. Higgins:

MMC Materials, Inc. herewith submits the enclosed *Amended Notice of Intent* for its recently purchased ready-mix concrete plant in Piperton, Tennessee. A NOI was submitted by MMC to TDEC on February 12, 2014. TDEC granted permit coverage under permit number TNG110411. The NOI submitted on February 12, 2014 included one (1) storm water outfall location, however after a site visit from FC&E Engineering, company contracted by MMC to prepare a revised SWPPP, it was determined that the site had a total of three (3) storm water outfalls.

Should you have any questions regarding the attached material or require additional information, please contact me at (901) 833-0934 or Charles Cook of FC&E Engineering, LLC, at (601) 824-1860.

Sincerely,
